Tourism, automobiles, agriculture, energy, textiles, food and beverages, metals, chemicals

## SPOTLIGHT ON SPAIN

Spain attracts visitors with a passion for life that is contagious. This spirit manifests itself today through the brilliant architecture, the pounding rhythms of flamenco, and the allure of an afternoon siesta. While life hasn't always been easy in Spain, it has emerged from crises both ancient and modern. In the 16th and 17th centuries, the Spanish Empire ruled over broad regions of Europe and the New World, thriving under the rule of the Hapsburgs during a period known as the Golden Age. When this power waned, Spain entered a darker period, mired in turmoil, civil war, and the dictatorship of Francisco Franco. It wasn't until Franco's death in 1975 that Spain truly joined the modern international community.

Spain continues to have positive economic growth following a prolonged recession stemming from the 2008 global financial crisis. Economic activity surpassed its pre-crisis peak in 2017 largely due to increased private consumption. Favorable financial conditions and strong job creation continue to support the private domestic demand, though unemployment remains high. Strong export growth, driven by increasing labor productivity and an internal devaluation, was significant in bringing Spain's current account into surplus and increased interest from foreign investors. The European Commission criticized Spain's 2016 budget for easing austerity measures and for its alleged overly optimistic growth and deficit projections. Recent projections anticipate the economy to grow and the continuation of job creation.

## TOPICS TO EXPLORE

LITERATURE – Explore Spain's literary master: walk in the footsteps of Cervantes, Miguel de Unamuno, Federico Garcia Lorca, and even Ernest Hemingway, visiting sites that inspired their characters.

ART & ARCHITECTURE – From museums to street murals, the art of Spain is deeply ingrained in culture. Visit works of Goya, Velasquez, and other masters in the Prado. Learn about Picasso's life and work. Wander the sites designed by Antonin Gaudí in Barcelona. Trek through Toledo, Salamanca, or the southern regions where Islamic influence is strong.

WINE & CUISINE – Food and wine are central to the Spanish way of life. The Spanish style of small plate or "tapas" is well known, but there is much more to experience and taste at a late dinner in Spain! Taste your way through regions of Spanish cuisine and study the techniques, tools, history, and business of eating and drinking.

## INTEGRATED RISK MANAGEMENT

Each program is backed by unparalleled risk management and logistical support to deliver true peace of mind. We've spent years building the infrastructure and partnerships to deliver safety and reliability for your traveling groups that exceed your university standards.

### **Risk Mitigation**

- o Comprehensive vendor vetting, including adherence to local laws
- Contingency destinations & re-routing in event of an emergency
- o Partnerships with global risk advisory organizations such as WorldAware
- o Pre-departure safety orientations conducted for all programs

### Health & Safety While Abroad

- o \$500,000 embedded medical insurance including evacuation insurance
- o 100% mental wellness coverage with no restrictions on pre- existing conditions
- 24/7 emergency support while traveling:
  - o Local emergency team in all our destinations abroad
  - o Domestic support to coordinate with your university team back home

## **ON THE GROUND**

With a growing network of team members around the world, you can rest assured that we're always nearby. Our vetted vendors and trusted ground teams mean you can focus on what really matters – your students. We are passionate about program design, so please rest assured that your proposed itinerary is completely custom and can be modified upon your request.

#### Transportation

- Coach transportation in safe, clean vehicles with experienced drivers:
  - > As listed within your itinerary, unless otherwise noted as walking or public transit
  - > Airport arrival transfer & airport departure transfer in Barcelona for participants on the group flight
- Barcelona Metro Pass (4-day pass, 2 day pass)
- Intra-program flight from Barcelona to Palma de Mallorca (Return) (quote only—subject to change)

## Support Team

- Local staff to provide an orientation meeting upon arrival
- English-speaking, trained, & professional local tour guides
- Gratuities for guides and drivers
- Tips to waitstaff for all included meals

#### **Immersions & Extras**

- As detailed within your itinerary:
  - > Group meals
  - > Cultural activities & immersions
- One non-alcoholic beverage at all included meals
- All applicable entrance fees for cultural sites, unless otherwise noted

## **OPTIONAL ITEMS**

- \$279 per person Higher Education Travel Protection Plan
- Single-occupancy room supplement: \$1,474
