**House Lights**

**Notes**

- \*\*\*All FOH unit positions are approximate!
- Boom dimensions are to sidearm height.
- See paperwork for color, accessories, etc.
- Some positions are drawn out of place.
- Final placement of floor mounts and practicals to be determined by designer at or before focus.
- Floor mount units should have approximately 10 feet of cable slack.
- Please have several spare circuits available at each position, if possible.
- Color, templates, and accessories should be installed before focus.
- Please have on hand at focus: cuts of R119, R132, R104, & neutral density; BlackWrap and BlackTq; spare lamps.
- No changes or substitutions without written permission of designer.

This drawing represents visual concepts and construction suggestion only. It does not replace the knowledge and advice of a licensed structural engineer. The designer is not responsible for determining the structural appropriateness of this design and will not assume responsibility for improper engineering, loadings, or use.

**Revision History**

23 Oct 2015 - adapted from Arcadio, post-MWC  
29 Dec 2016 - updated by LS & LE, before client SY

**Repertory Plot**

**Decker Theatre**  
Gibson Center for the Arts  
Washington College  
GCA Director: Dale Daigle
